Ma'am:

Greetings in the Name of Public Service!

For the safety of our learners and school personnel, we would like to inform your office that our request for the construction of perimeter fence was already endorsed to the provincial government thru our very supportive councilor **Hon. Jean Lalaine Calderon** and our **Board Member, Hon. Jun V. Cabitac**. We were very grateful to both. Thank you very much!

Last December 1, 2022 the area for fencing project was already inspected by the Team from the provincial engineering department. In result, we were told that we must show them the actual lot location to be able to identify the boundaries of the school. In view of this, we would like to request from your office to conduct **A SURVEY OF THE SCHOOL LOT AREA** by a **GOEDETIC ENGINEER** from your office since the survey was a necessary **REQUIREMENT** to continue with the **FENCING PROJECT**.

**Hon. Mayor Allan**, we hope that this request merits your **immediate action** and extend us your help for the safety of all staff and pupils at San Lorenzo Ruiz Elementary School.

Thank you very much and God bless!.

Respectfully yours,

*Musico*
